One-size only solution

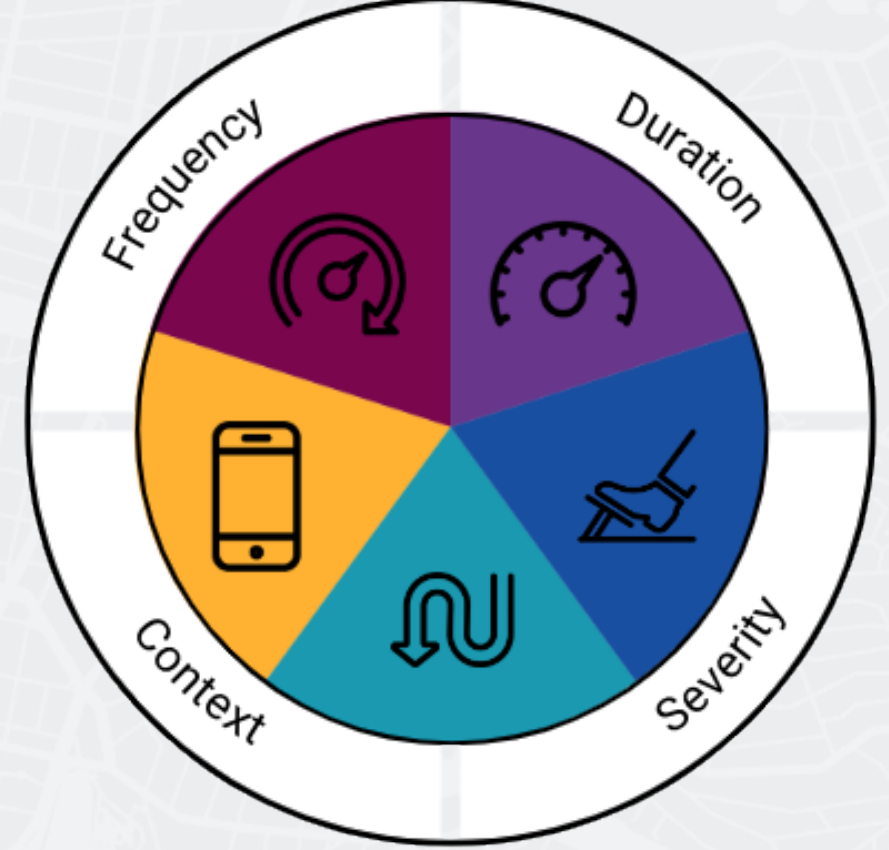

Powered by the FICO® Safe Driving Score

Validated using third-party research data

Very Low Risk	★★★★★	800-850
Low Risk	★★★★☆	710-799
Medium Risk	★★★☆☆	560-709
High Risk	★★☆☆☆	500-559
Very High Risk	★☆☆☆☆	100-499

Those with scores below 710 are up to **30% more likely to have a future collision** than those with higher scores.

The FICO® Safe Driving Score is **NOT** opinion-driven or subjective. It is **THE** validated global standard.

Emergency Response Services

powered by **sfara** + **BOSCH**

- Sfara's patented, AI-based automatic crash detection technology with industry-leading accuracy and speed detection connects Mentor users with Bosch's lifesaving dispatch services.
- Easy-to-access **Personal SOS** button allows drivers to silently initiate a call for help whenever they feel unwell or unsafe, inside or outside the vehicle.

Bosch name and logo are trademarks of Bosch and are used with permission. Sfara name and logo are trademarks of Sfara Inc. and are used with permission.

EcoDrive

powered by **Greater Than**

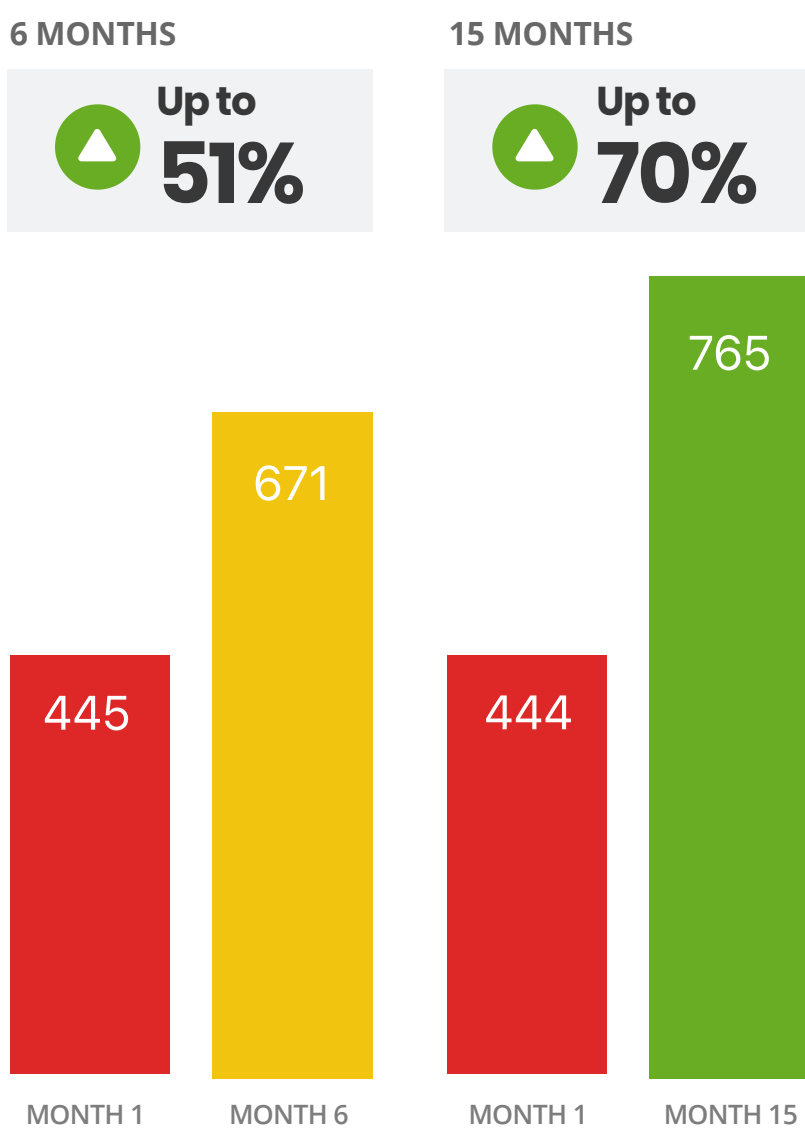

- Empowers fleet owners to take control of their climate impact by helping their drivers minimize their CO2 emissions/EV battery consumption by up to 20%.
- Utilizes unique pattern-AI technology trained through over 7 billion real-world trips to accurately identify a driver's environmental impact in percentage terms, as well as grams of CO2 saved or consumed.
